

# Washington County Water Consortium December 1<sup>st</sup>, 2010 Agenda

## Date & Time:

Wednesday, December 1<sup>st</sup> from 2-4 pm

## Location:

Washington County Government Center, Lower Level Room 21  
14949 62nd St N, Stillwater MN 55082

2:00 – 2:15    **Introductions and Updates**

2:15 – 3:00    **Afton/Lakeland Gully Stabilization Project**

*Amy Carolan, Middle St. Croix Watershed Management Organization*

*Pamela A.K. Massaro, P.E., Wenck Associates*

The MSCWMO and the communities of Afton and Lakeland recently completed a stabilization project on a 1,000 linear foot ravine, which straddled the boundary between the two communities. Amy and Pam will talk about the design and installation of the project as well as the successes and challenges associated with completing the project.

3:00 – 3:45    **State of the Waters**

*Erik Anderson, Washington Conservation District*

Erik will discuss lake grades and long-term water quality trends by watershed, summarize stream and stormwater nutrient loading assessments, and provide an update on impaired water bodies found in Washington County.
