## County Attorney Crime Prevention Initiative

County Attorney Pete Orput announced a broad-based crime prevention initiative. County Attorney's Office prosecutors will be available to go to the county's municipalities and talk to community groups about crime prevention strategies. Topics include Identity Theft, Burglary Prevention, Protecting Your Child on the Internet, Truancy, and Telemarketing Fraud for Seniors.

"We believe that community education and awareness is an important part of the prosecution function, and not just the bringing of criminal cases in court," Orput said. "If we can help to educate the public to avoid becoming a crime victim, we are all better off as a society."

To schedule a speaker for your community group call Cathy Rochel at 651-430-6115.
