

Hello Consortium Members!

Washington County Water Consortium invites you to the first of two meetings to discuss and determine a shared vision for the future of the Water Consortium.

December 7, 2011
2 p.m. to 4 p.m.
Washington County Government Center, 14949 62nd St. N, Stillwater, MN
Lower Level Room 14

In preparation for the meeting, please come prepared to share and discuss *what your organization thinks are the top 3-5 water management topics and opportunities that should be addressed by the Water Consortium and why.*

The second meeting will be January 4th at the same time and place.

Lisa Hinz has agreed to join us and facilitate both meetings. Lisa Hinz is an Educator with the University of Minnesota Extension in Leadership and Civic Engagement. She works mainly in the eastern Twin Cities Metro area with additional statewide responsibilities. Lisa works with public and community-minded individuals and organizations, providing workshops on leadership, facilitation, and public participation. Helping people build their skills and insights for working together more effectively is her focus.

We hope you will join us for this important opportunity to set direction for the future of the Water Consortium.

If you would like to know more about the 12-year history of the Water Consortium here are a few links to check out before the meeting.
