

Washington County Water Consortium June 2010 Agenda

Land Spreading for Beneficial Use in Washington County and the State of Minnesota

Date & Time:

Wednesday, August 4th from 2-4 pm

Location:

Washington County Government Center, Lower Level Room 21
14949 62nd St N, Stillwater MN 55082

- 2:00 – 2:10 **Introductions and Updates**
- 2:10 – 2:45 **Land Spreading in Washington County**
Tina Dale, Washington County Public Health and Environment
A brief history of Washington County's beneficial use utilization program, land application of by-products, and discussion of the department's current program and development.
- 2:45 – 3:15 **Land Spreading of Septage**
Pete Ganzel, Washington County Public Health and Environment
A discussion on septic tank maintenance and recycling of septage along with examples of land spreading of septage in other counties. Discussion will occur around potential and suitable application areas and whether land spreading should be considered in Washington County.
- 3:15 – 4:00 **Land Spreading of Septage across the state of Minnesota**
Clarence Manke, Minnesota Pollution Control Agency
The state's role as it pertains to land spreading of septage.
- 4:00 **Adjourn**
