

Washington County Water Consortium April 6th, 2011 Agenda

Date & Time:

Wednesday, April 6, from 2-4 pm

Location:

Washington County Government Center, **4th Floor Room 436 – PLEASE NOTE ROOM CHANGE**
14949 62nd St N, Stillwater MN 55082

2:00 – 2:10 **Introductions and Updates**

2:10 – 3:00 **Climate Change and Public Health in Minnesota**
Kristin Raab, Minnesota Department of Health

Kristin will present how the climate is changing in Minnesota. She will discuss the public health consequences of climate change, including water quality and quantity, and waterborne disease. She will also share with the group the results from MDH's climate change survey.

3:00 – 3:45 **Results and Implications: 2010 Minnesota State Survey and MN DNR
Climate Change Survey**
Andrea Date, Minnesota Department of Natural Resources

Andrea will share with the group the recent DNR organizational survey on climate change and next steps for the department. She will also present the Minnesota perspective on climate change based on the Omnibus survey.

3:45 – 4:00 **The Minnesota Climate Change Adaptation Work Group and Climate
Change in Washington County**
Camilla Correll, Emmons and Olivier Resources, Inc.

Camilla will share with us the current happenings of the work group and lead a discussion on how we are addressing climate change in Washington County. Please consider the following questions for discussion:

- How is your organization dealing with current effects of climate change?
- How is your organization addressing climate change in its future planning efforts?
