

SOCIAL SECURITY CERTIFICATION FORM

**Customers without a Social Security Number applying for
Minnesota Department of Natural Resources
Non-commercial Game and Fish License Application**

If you are applying for a game and fish license and you do not have a Social Security Number (SSN)*, you **must** complete this certification prior to applying for a game and fish license.

Federal law requires the Minnesota Department of Natural Resources (DNR) to collect your Social Security Number (SSN) when applying for a game and fish license for child support enforcement purposes. If you apply for a game and fish license and you do not have an SSN, you must provide a certification that you do not have a SSN. If you do *not* give us your SSN or a certification, a game and fish license cannot be issued. The federal law is Title IV-D of the Social Security Act, U.S.C., Title 42, section 666(a)(13). The DNR is required to provide your SSN or certification to the Minnesota Department of Human Services for child support enforcement purposes.

The customer **must** complete the following information, sign it, and return the form to an ELS Special Agent or the DNR (address listed below) prior to applying for a license. ELS Special Agents will attach the receipt from the license sale to the form and submit this form and receipt to the DNR.
