Bob Klatt, Parks Director, City of Woodbury
Jay Riggs, District Manager, Washington Conservation District

Consultants

Larry Wacker, Sanders, Wacker, Bergly, Inc.; St. Paul, MN
Jim Hagstrom, Savannah Designs, Inc.; Lake Elmo, MN
Amy Ollendorf, ALO Environmental Associates LLC; Minneapolis, MN

Chapter	Page
1. Introduction	
Overview of Lake Elmo Park Reserve.....	1.1
Planning Process	1.2
Public Participation.....	1.5
Purpose/Outcome.....	1.6
2. Recreation Demand Forecast	
Introduction.....	2.1
Demographics	2.1
Recreation Demand.....	2.4
3. Cultural Resources Stewardship	
Legal and Regulatory Framework	3.1
Cultural & Natural History	3.2
Known & Potential Cultural Resources	3.4
Archaeological Sensitivity Models	3.5
Recommendations.....	3.10
4. Natural Resources Stewardship	
Introduction.....	4.1
Vegetative Cover	4.1
Management and Control of Invasive Plant Species	4.2
Soils and Topography	4.4
Landscape Ecology and Sustainability	4.4
Natural Resource Education and Interpretation	4.6
Restorative Landscape Plan	4.8
Landscape Types and Plant Lists	4.11
5. Development Plan	
Introduction.....	5.1
Inventory and Analysis of Existing Site Conditions.....	5.1
Development Concepts	5.7
Facilities and Considerations Discussed and Omitted	5.14

Undeveloped Facilities Included in the 1978 Master Plan 5.15

Serving Special Needs 5.16

Use and Development Conflicts 5.16

Public Services..... 5.17

6. Park Boundaries and Acquisition

Introduction..... 6.1

Site Context and Adjacent Land Uses 6.1

Potential Land Acquisition 6.1

Property Values 6.4

7. Park Operations and Management

Introduction..... 7.1

Ordinances 7.1

Energy Conservation 7.2

Marketing..... 7.2

Cost Estimates for Development, Operations and Maintenance 7.5

Maintenance and Operations Expenses 7.15

Revenue Sources..... 7.17

Appendix "A" – Cultural and Natural History

Statewide Contexts A.1

Natural History A.4

Appendix "B" – Summary of Euro-American Landownership and Use

Plat MapsB.1

Summary TablesB.8

Appendix "C" - References Cited in Chapter 3

Appendix "D" – Soils Matrix

Appendix "E" – Public Comments
