2011 Annual Vehicle Permit

When you purchase an annual vehicle permit, you are getting a year-round pass that is good for one full year from the month of purchase. The pass is valid in all Washington, Anoka, and Carver County Parks!

***It's a great value
for a small price!***

The 2011 annual vehicle permit is available at Lake Elmo Park Reserve, St. Croix Bluffs Regional Park, Big Marine Park Reserve and at all Washington County License Centers. The cost is just:

- **\$ 25 Regular Annual Vehicle Permit**
- **\$ 15 Second Annual Vehicle Permit**

(For a 2nd vehicle at the same household—must be purchased at the same time as the 1st one)

Remember, your permit entitles you to an unlimited number of visits to all Washington County Parks for an entire year! Funds from Washington County vehicle permits are used in the parks to help manage resources and facilities.
