Rules for Truth in Taxation hearings:

- In lieu of the eliminated formal TNT hearing, counties, cities over 500 population, school districts, and metropolitan special taxing districts are required to hold a meeting at which the budget and levy will be discussed and the public allowed to speak. The meeting must be between November 25 and December 28 and be held after 6:00 PM. This meeting may be part of a regularly scheduled meeting. If a regular meeting is not scheduled between November 25 and December 28 after 6:00 PM then it will be necessary to schedule a special meeting for this purpose.
- Counties, cities over 500 population, school districts, and metropolitan special taxing districts are required to announce, at the meeting in which the proposed levy is certified, the time and place of its subsequent regularly scheduled meeting at which the budget and levy will be discussed and the public allowed to speak. For taxing authorities required to publish a summary of proceedings in an official newspaper in accordance with M. S. 123B.09, 375.12, or 412.191, the time and place of the public meeting must also be included in the publication.
- The proposed property tax levy for the taxes payable year 2012 and the proposed budget for the taxes payable year 2012 (current school year budget in the case of school districts) must be discussed at the public meeting.
- The public must be given a reasonable amount of time to comment on the proposed property tax levy and budget and to ask questions. Robert's Rules of Order may be used to govern the conduct of the meeting.
- The county auditor is not required to coordinate a taxing authority's selection of its meeting date to prevent a conflict with a meeting of another taxing authority.
