The Board of Commissioners of Washington County ordains:

#### Section 1:

The owner of any property assessed for the cost of upgrading of existing wastewater treatment systems, either on private property or via the construction of community collector systems and wastewater treatment facilities including all pipes, hookups, drainfields and other appurtenances as a result of Resolution No. 88-59 may at any time prior to the certification of the assessment to the Washington County Auditor/Treasurer pay to the Washington County Auditor/Treasurer the entire assessment on such property with interest accrued to date of payment except that no interest shall be charged if the payment is made within 30 days from the adoption of this ordinance; the owner may thereafter pay to the Washington County Auditor the installment and interest in process of collection on the current tax list and may pay the remaining principal balance of the assessment to the County Auditor. Such payment must be made before November 15 or interest will be charged to December 31 of the next succeeding year, If a partial payment is made within the time specified herein, the remainder of the assessment shall be spread in equal payments for the remainder of the life of the original assessment at the rate of interest established by Resolution No. 88-59. No partial payment shall be made after 30 days from the effective date of this ordinance.
