

# Washington County Water Consortium March 2<sup>nd</sup>, 2011 Agenda

## Date & Time:

Wednesday, March 2, from 2-4 pm

## Location:

Washington County Government Center, Lower Level Room 21  
14949 62nd St N, Stillwater MN 55082

2:00 – 2:15    **Introductions and Updates**

2:15 – 3:00    **Groundwater and Surface Water Issues Facing Washington County**

*Jay Frischman, DNR*

*Dave Leuthe, DNR*

*Jeanette Leete, DNR*

This presentation will address:

- Surface water and groundwater issues in Washington County.
- Groundwater level declines reported in Washington County.
- The 11-county metro monitoring initiative.
- Water management in southeast Washington County in light of groundwater contamination.

3:00 – 4:00    **EMWREP Update**

*Angie Hong, EMWREP*

Angie will share:

- 1) A map of partner priority areas and outreach strategies planned for each
- 2) Information gleaned from survey, focus group and interview research conducted with rural landowners in the county
- 3) The new proposed outreach strategy for rural landowners: [Go Wild! Bringing birds and wildlife to woodlands, farmlands and big backyards.](#)
- 3) Plans for a special outreach event to tie-in with St. Croix River Awareness Week in July: Save the Walleye - and then eat 'em!
