

# the FREE Market<sup>SM</sup>

A great way to Give or Get free stuff.

Do you have things you would like to give away?

Are you looking for free stuff for your home or garden?

If you have usable home or garden items to give away or are looking for free items to pick up, get connected with the **Free Market!**

- How the Free Market Works
- 1. List It.**  
Visit the Free Market web page at [www.twincitiesfreemarket.org](http://www.twincitiesfreemarket.org) to list items you have to give away or items you hope to find.
  - 2. A Match Is Made.**  
Other people will see the items you have to give away or the items you hope to find.
  - 3. The Items Are Exchanged.**  
The person who wants the items, directly contacts the person giving them away to make arrangements for pick-up. The Free Market does not store or transport items.

Items commonly found on the *Free Market* include:

- Appliances*
- Furniture*
- Construction Materials*
- Landscaping Materials*
- Exercise Equipment*
