V. The applicant shall perform all work according to the terms of this permit, the Washington County Right of Way Ordinance #188, the WCRRA Property Management Plan and all other regulations of Washington County and the WCRRA, and any Special Provisions, which are attached to the permit. The applicant shall comply with all applicable laws and ordinances, codes, and regulations. The work performed shall be in no way detrimental to the highway, the WCRRA property or to the safety of the public. All traffic control shall comply with the provisions of the Minnesota Manual on Uniform Traffic Control Devices, including the Temporary Traffic Control Zone Layouts Field Manual.
It is agreed that all work will be done to the satisfaction of Washington County and the WCRRA. It is further agreed that no work in connection with this application will be started until the application is approved and the permit issued. It is expressly understood that this permit is conditioned upon replacement or restoration of the right of way to its original or to a satisfactory condition. It is further understood that this permit is issued subject to the approval of local city or township authorities having joint supervision over said street or right of way. Applicant shall supply accurate electronic "as-built" drawing files in either .DWG or .DXF format. Files will be accepted in other formats and converted, at the applicant's expense, to a compatible format. If the County cannot convert files, the applicant must convert them to a compatible format. Conversion costs will be billed by the County at applicable billable labor rates plus material costs.
