Parking

The Historic Courthouse parking lot is located off of 4th Street and includes thirty (30) parking spaces, including two handicap spaces. On-street parking is available on Walnut and 4th Streets. A public parking lot is located across from the building on Pine Street for additional parking.

I understand there may be special fees and insurance required. I understand that the checklist will be reviewed by the Parks Supervisor or designee. I have read the Special Use Policy for Washington County Parks. I agree to follow the guidelines and Park Ordinance #174. I understand our group will be denied the Special Use if the policy is not followed.
