

OAKGREEN AVENUE

(County Road 65) Corridor Improvement Project

Your feedback is important

Please write your comments in the space below and leave in the comment box at the meeting or email to andrew.giesen@co.washington.mn.us. You may also mail comments to the address on the back of this page.

Please review the open house materials and provide your comments in the space below.

1. Corridor Use: How do you use Oakgreen Avenue (commuting to work, bicycling, travel to/from school)?

2. Existing conditions and issues/opportunities: Are there any problem locations along Oakgreen Avenue between 40th Street N and 10th Street N? Are there any other issues or opportunities in the area that we should be aware of?

3. Traffic and Safety: Are there any safety or traffic concerns along Oakgreen Avenue or at specific intersections (if yes, please describe)?

4. Drainage: Have you observed any standing water, erosion, or drainage concerns within the area?

5. Other comments: Please share any additional feedback in the space below.
