

Crime Prevention

Presentation Request

Washington County provides community presentations on a variety of crime prevention and general public safety issues. Topics include but are not limited to child safety seats, ID Theft, internet fraud, neighborhood watch, elder fraud, water craft safety, and personal safety. In addition, we provide deputies to speak with youth groups, and conduct tours of our facility.

If you are interested in scheduling a public safety presentation for your organization or group please complete the request form and a deputy will contact you.
