

Benches in Parks

A group or individual may request to donate funds to be used for the purchase, installation and maintenance of a bench with commemorative plaque (if desired) in Washington County Parks.

The bench will be the style and color below, to match existing rest benches in Washington County Parks:

Carnival™ Benches

Plaque:

A commemorative bronze plaque may also be included on the bench. Washington County would order this and install.

Donation amount:

The minimum donation is \$3,400 with maintenance guaranteed for 5 years. Guaranteed maintenance does not include minor cosmetic damage/upkeep, but does include repair/replacement if necessary.

Bench location:

Washington County will work with the donating party to place the bench in an appropriate area of a Park or Trail (there is a ½ mile minimum distance between benches on a trail).

Contact:

parks@co.washington.mn.us or 651-430-8370 for more information.
