

Online Learning Resources and Links

Technology Training

Microsoft Office Tutorials: https://support.office.com/en-us/article/word-for-windows-training-7bcd85e6-2c3d-4c3c-a2a5-5ed8847eae73?wt.mc_id=otc_home

LinkedIn Learning

(formerly Lynda.com)

Employees need a library card to use Lynda/LinkedIn Learning. If they don't have a card, they can easily get one by calling any of our libraries or filling out the online form. Library staff will get them their number ASAP so they can start using our digital resources, including Lynda, right away.

Emergency Management Training

For employees who have emergency management responsibilities, the National Incident Management System (NIMS) Training Programs are available online. We encourage employees to take ICS 100, 200 and 700.

<https://training.fema.gov/emiweb/is/icsresource/trainingmaterials.htm>

To register for ICS online courses you will need a FEMA Student ID. Here is the link to obtain a <https://cdp.dhs.gov/FEMASID>

Safety Training

Please coordinate with your supervisor to decide what BLR trainings are necessary.

- Accident Investigation Training:

- Aerial Lift Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=112119&parent=900525660&child=900525664>
- Arc Flash Safety: Unqualified Person Training:
<https://training.blr.com/Application/courseDetails.aspx?id=112042&parent=900525660&child=900525664>
- Avoiding Back Injuries Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150195&parent=900525660&child=900525664>
- Basic First Aid For Medical Emergencies Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150266&parent=900525660&child=900525664>
- Battery Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150298&parent=900525660&child=900525664>
- Bloodborne Pathogen (general) Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150211&parent=900525660&child=900525664>
- Bloodborne Pathogens: Healthcare Workers Training:
<https://training.blr.com/Application/courseDetails.aspx?id=112715&parent=900525660&child=900525664>
- Crane Rigging Training:
<https://training.blr.com/Application/courseDetails.aspx?id=113684&parent=900525660&child=900525664>
- Defensive Driving (Commercial) Training:
<https://training.blr.com/Application/courseDetails.aspx?id=76921&parent=900525660&child=900525664>
- Defensive Driving (noncommercial) Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150542&parent=900525660&child=900525664>
- Electrical Safety: Unqualified Person Training:
<https://training.blr.com/Application/courseDetails.aspx?id=102442&parent=900525660&child=900525664>
- Eye Protection Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150546&parent=900525660&child=900525664>
- Fall Protection in Construction Training:
<https://training.blr.com/Application/courseDetails.aspx?id=102955&parent=900525660&child=900525664>

- Fire Extinguisher Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150612&parent=900525660&child=900525664>
- Flammable Liquids Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150319&parent=900525660&child=900525664>
- Forklift Safety Intro to Rough Terrain Training:
<https://training.blr.com/Application/courseDetails.aspx?id=113866&parent=900525660&child=900525664>
- Forklift Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150294&parent=900525660&child=900525664>
- Hazard Communication and GHS Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150316&parent=900525660&child=900525664>
- Hazard Communication for Healthcare Workers Training:
<https://training.blr.com/Application/courseDetails.aspx?id=112745&parent=900525660&child=900525664>
- Hazardous Materials Transportation Training:
<https://training.blr.com/Application/courseDetails.aspx?id=103129&parent=900525660&child=900525664>
- Home Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150264&parent=900525660&child=900525664>
- Hydrogen Sulfide Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150147&parent=900525660&child=900525664>
- Laboratory Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=114149&parent=900525660&child=900525664>
- Ladder Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150547&parent=900525660&child=900525664>
- Lockout/Tagout: Affected Employees Training:
<https://training.blr.com/Application/courseDetails.aspx?id=115003&parent=900525660&child=900525664>
- Lockout/Tagout: Authorized Employee Training:
<https://training.blr.com/Application/courseDetails.aspx?id=102858&parent=900525660&child=900525664>
- Machine Guarding Training:
<https://training.blr.com/Application/courseDetails.aspx?id=102861&parent=900525660&child=900525664>

- Metalworking Fluids Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150272&parent=900525660&child=900525664>
- Noise and Hearing Conservation Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150545&parent=900525660&child=900525664>
- Office Ergonomics Training:
<https://training.blr.com/Application/courseDetails.aspx?id=79702&parent=900525660&child=900525664>
- Office Hazards Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150555&parent=900525660&child=900525664>
- Permit-Required Confined Space Rescue for Supervisors Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150302&parent=900525660&child=900525664>
- Permit-Required Confined Spaces: Attendant Training:
<https://training.blr.com/Application/courseDetails.aspx?id=102905&parent=900525660&child=900525664>
- Permit-Required Confined Spaces: Entrant Training:
<https://training.blr.com/Application/courseDetails.aspx?id=103211&parent=900525660&child=900525664>
- Personal Protective Equipment Training:
<https://training.blr.com/Application/courseDetails.aspx?id=102440&parent=900525660&child=900525664>
- Portable Power Tool Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=103127&parent=900525660&child=900525664>
- Preventing Slips, Trips, and Falls Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150543&parent=900525660&child=900525664>
- Respiratory Protection Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150317&parent=900525660&child=900525664>
- Trenching: Competent Person Training:
<https://training.blr.com/Application/courseDetails.aspx?id=103209&parent=900525660&child=900525664>
- Welding and Cutting Safety Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150505&parent=900525660&child=900525664>
- Working in Cold Conditions Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150554&parent=900525660&child=900525664>

- Working in Hot Conditions Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150544&parent=900525660&child=900525664>
- Working Safely Outdoors Training:
<https://training.blr.com/Application/courseDetails.aspx?id=150290&parent=900525660&child=900525664>
