Good afternoon providers,

Thank you for the hard work you are doing caring for children during this difficult time. Many questions that licensors have been getting have to do with the loss of income as families are staying home or providers are choosing to temporarily close their business. This is a concern across the state and there are resources that are beginning to be created to help providers. Please review the following resources:

- On 3/26/20 the governor created peacetime emergency child care grants that will be administered by Child Care Aware:
www.documentcloud.org/documents/6819581-20-8293.html
- Think Small has emergency grants available up to \$1,000.00 on a first-come basis:
www.thinksmall.org/community_engagement/resources/covid-19/
- The MN Department of Employment and Economic Development (DEED) has an emergency loan program for small business owners:

We hope you have a good weekend and are able to take some time for yourself and refresh. Please reach out to your licensor if you have any questions,

Stay well,
