**Subject:** Information Update for Child Care Licensing

Washington County Child Care Providers,

It seems as though there have been multiple changes and communication in regards to COVID-19 and mask wearing. We thought we would try to put it in one email to hopefully make it easier to find information in one place. If you have any further questions, please reach out to your licensing social worker.

- The Minnesota Governor issued an executive order regarding face masks. If you have not been able to read the order yet, you can get to it here:  
[https://mn.gov/governor/assets/EO%2020-81%20Final%20Filed\\_tcm1055-441323.pdf](https://mn.gov/governor/assets/EO%2020-81%20Final%20Filed_tcm1055-441323.pdf)
- There is also further guidance through an FAQ. You can receive more information here:  
[www.health.state.mn.us/diseases/coronavirus/schools/masks.html](http://www.health.state.mn.us/diseases/coronavirus/schools/masks.html)
- In regards to COVID-19, Licensing has deferred to the Minnesota Department of Health for Guidance. If specific guidance is needed for the use of masks in your program, please reach out to: [health.schools.COVID19@state.mn.us](mailto:health.schools.COVID19@state.mn.us)
- Information about how your program will use face masks should be updated in your COVID Preparedness Plan.

DHS also sent information out about recent FDA warnings about the dangers of hand sanitizers with methanol in them. Here is a list on the FDA webpage regarding the 75 products to avoid:
