Subject: Update from Wash Co on Adult Foster Care Licensing
Importance: High

Hello AFC Providers,

We wanted to check in and give you an update on county business currently. In hopes of protecting you, your residents, and employees during the COVID-19 pandemic, **Washington County has suspended all public-facing services through Tuesday, March 24.** This closure includes our libraries, service centers, license centers, and the Government Center. We are committed to following social distancing mandates given by the state.

What does this mean for you as AFC providers?

- Our face-to-face visits are on hold for the moment. You will be notified when those are resumed.
- We are working on a plan for those with licenses that will be expiring soon. Your licensor will be in contact with you with information as it becomes available.
- We can assure you that no licenses will be closed because we are not able to complete a visit.

Your licensor is still available to answer any questions or concerns via telephone and email. We encourage you to reach out to us during this ever-changing time with any questions or issues that may arise for you.

We are waiting further information from the MN Department of Human Services. Any further information we get, will be passed along to you.

Thank you for all that you do,

Washington County Licensing
