County Highway 38/21st Street and 7th Avenue Multi-Use Trail Project Online Engagement

Washington County would like your input for the upcoming County Highway 38 Trail project. Due to health concerns from COVID-19 we are taking action to provide safe opportunities for involvement. You are invited to an online engagement for community members to learn more and provide input during the early planning stage. The County, in partnership with the City of Newport, is beginning public engagement and preliminary design process to investigate an off-road trail alignment along CSAH 38 from the intersection of Maxwell Avenue and 21st Street to the pedestrian bridge over Trunk Highway 61 at 20th Street and 7th Avenue.

We want to hear from you!

What are your experiences traveling through this area? Are there any issues? What works well? We will be providing an opportunity to comment online.
