Subject: Information on current COVID-19 Vaccine

AFC providers,

We have received a few inquiries regarding the distribution of the COVID-19 vaccine. We recommend you direct questions and concerns to the Minnesota Department of Health (MDH). At this time, we are not involved in the distribution of the vaccine. If and when we are approached by MDH and/or the Washington County Public Health and Environment (PHE) department, we will work with them to help facilitate the distribution of the vaccine, such as potentially providing a list of adult foster care providers.

MN DHS has released an announcement regarding COVID-19 vaccines. Here is the [link](#) to the announcement.

We have also included the links to the COVID-19 pages of MDH below:

Thank you for your continued service in providing care for your residents.
