

# COUNTY ROAD 65 (OAKGREEN AVENUE)

Improvement Project - August 2022 Update

As Washington County, in partnership with Baytown Township and West Lakeland Township, progresses through the final design phase of the County Road 65 (Oakgreen Avenue) Improvement Project, additional details have been determined regarding construction staging that we are sharing through this project update:

## Construction Staging

2023		
Spring	Summer	Fall
 Tree and stump removals	Private utility relocations	
	Intersection construction	
	Culvert replacement	

### Spring 2023

- Tree and stump removals. These removals will allow areas for private utilities to relocate. Private utilities along this roadway include AT&T, Comcast/Xfinity, CenturyLink/Lumen, Xcel Energy Gas, Xcel Energy Electric, and Zayo.

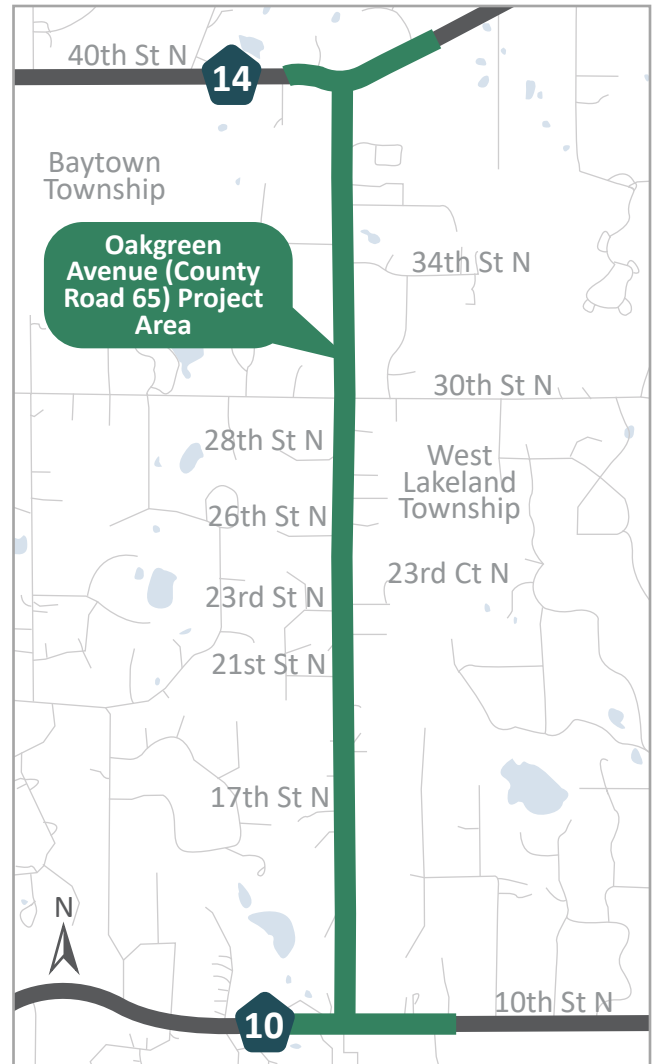

### Summer and Fall 2023

- Private utility relocations
- Construction of the following intersections:
  - County Highway 10 (10th Street) and County Road 65
  - County Highway 14 (40th Street/Olinda Boulevard) and County Road 65
- Two deep culvert replacements on County Road 65 that will require localized closures of Oakgreen Avenue
- Offline work along County Road 65 will have limited impacts to traffic

2024		
Spring	Summer	Fall
 Reconstruction of County Road 65		
Northbound One-way Roadway	 Southbound Traffic Detoured	

### Spring, Summer, Fall 2024

- Reconstruction of County Road 65
- During construction, County Road 65 will be converted to a one-way roadway and traffic will be maintained in the northbound direction. A detour route will be installed for southbound traffic.

A preconstruction open house is also planned for the spring of 2023. By the spring of 2023, the final design phase will be complete, and a contractor will be hired. At this open house, additional information will be shared regarding construction.

Please see the project website at [www.co.washington.mn.us/County65](http://www.co.washington.mn.us/County65) for more information.
