

# Reporting Child Maltreatment (Abuse & Neglect) Training for Mandated Reporters

## 2020 Schedule

This free training is designed for Mandated Reporters or others who are interested in learning more about requirements for reporting child abuse and neglect in Washington County.

Topics covered include:

- Maltreatment Definitions
- Mandated Reporter Responsibilities
- How to Make a Report
- What Happens After a Report is Made
- Services Available to Children and Families
- Questions and Answers Opportunity

A video training series is also available through:

[MN Department of Human Services](#)

*(this does not take the place of an in-person training)*

*\*Agencies within Washington County with large groups needing this training can contact Kelsey to request additional training sessions.*
