**WASHINGTON COUNTY DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT
YOUTH ACCESS TO TOBACCO ORDINANCE**

An ordinance relating to the sale, possession and use of Tobacco, Tobacco Products, Nicotine Delivery Products and Tobacco Related Devices in Washington County and to reduce the illegal sale, possession, and use of such items to and by Minors. This ordinance is enacted pursuant to the authority contained in Minnesota Statute § 145A.05, § 375.51 and § 461.12 to § 461.18.

Section 1 Purpose and Scope

- 1.1 Purpose.** Because Washington County recognizes that many persons under the age of 18 years purchase or otherwise obtain, possess and use Tobacco, Tobacco Products, Nicotine Delivery Products and Tobacco Related Devices, and such sales, possession and use are violations of both State and Federal laws; and because studies, which are hereby accepted and adopted¹, have shown that most smokers begin smoking before they reach the age of 18 years and that those persons who reach the age of 18 years without having started smoking are significantly less likely to begin smoking; and because smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government, this ordinance is intended to regulate the sale, possession and use of Tobacco, Tobacco Products, Nicotine Delivery Products and Tobacco Related Devices for the purpose of enforcing and furthering existing laws, to protect Minors against the serious effects associated with the illegal use of Tobacco, Tobacco Products, Nicotine Delivery Products and Tobacco Related Devices and to further the official public policy of the State of Minnesota in regard to preventing young people from starting to smoke as stated in Minnesota Statute § 144.391.
- 1.2 Scope.** This ordinance is applicable in any unorganized territory of the county and in any town or home rule charter or statutory city which does not license and regulate retail tobacco sales. Retail establishments licensed by a town or city to sell tobacco are not required to obtain a second license for the same location pursuant to this ordinance.

¹ Washington County has relied upon the following sources: Preventing Tobacco Use Among Young People, A Report of the Surgeon General; Youth Access to Tobacco - Summary Points, Youth and Elders Against Tobacco Use; Cigarette Use by School District; Youth Access to Tobacco, Minnesota Assist; Tobacco Sales to Youth and Nicotine Addiction in Adolescence, both by the Centers for Disease Prevention and Control; Minnesota Statute § 609.685

Section 5 Basis for Denial of License

The following shall be grounds for denying the issuance or renewal of a license under this ordinance; however, except as may otherwise be provided by law, the existence of any particular ground for denial does not mean that the Licensing Authority must deny the license. All Tobacco, Tobacco Products, Nicotine Delivery Products and Tobacco Related Devices shall either be stored behind a counter or other area not freely accessible to customers, or in a case or other storage unit not left open and accessible to the general public.

Section 8 Responsibility

All licensees under this ordinance shall be responsible for the actions of their employees in regard to the sale of Tobacco, Tobacco Products, Nicotine Delivery Products or Tobacco Related Devices on the licensed premises and the sale of such an item by an employee shall be considered a sale by the license holder. Nothing in this section shall be construed as prohibiting the county from also subjecting the clerk to whatever penalties are appropriate under this ordinance, State or Federal law or other appropriate law or regulation.

Section 9 Compliance Checks and Inspections

All licensed premises shall be open to inspection by the local law enforcement or other authorized county official during regular business hours. From time to time, but at least twice per year, the Licensing Authority shall conduct Compliance Checks by engaging, with the written consent of their parents or guardians, Minors over the age of 15 years but less than 18 years, to enter the licensed premise to attempt to purchase Tobacco, Tobacco Products, Nicotine Delivery Products or Tobacco Related Devices. Minors used for the purpose of Compliance Checks shall be supervised by designated county personnel. Minors used for Compliance Checks shall not be guilty of the unlawful purchase or attempted purchase, nor the unlawful possession of Tobacco, Tobacco Products, Nicotine Delivery Products or Tobacco Related Devices when such items are obtained or attempted to be obtained as a part of the Compliance Check. No Minor used in Compliance Checks shall attempt to use a false identification misrepresenting the Minor's age and all minors lawfully engaged in a Compliance Check shall answer all questions about the Minor's age asked by the licensee or his or her employee and shall produce any identification, if any exists, for which he or she is asked. Nothing in this section shall prohibit Compliance Checks authorized by State or Federal laws for educational, research or training purposes, or required for the enforcement of a particular State or Federal law.
